ACTION ITEM #1
Academic Year 2017-2018 Tuition Rates
(Joan King)

July 12, 2017

TO ALL MEMBERS OF THE BOARD OF REGENTS

SUBJECT: Academic Year 2017-2018 Tuition Rates

PROPOSED: That the Washington State University Board of Regents approve the tuition rates as outlined below for the academic year 2017-2018, as the legislature has concluded its session regarding the operating budget.

SUBMITTED BY: Joan King, Associate Vice President and Chief University Budget Officer

SUPPORTING INFORMATION: State law authorizes the governing boards of the four-year higher education institutions to establish tuition and fees for all student categories except resident undergraduates. Although tuition-setting authority for resident undergraduate tuition was granted in the 2013-2015 biennium, the legislature reduced tuition for resident undergraduates in the 2015-17 biennial budget. The decrease in 2016 was 5%; the 2017 decrease was an additional 10%. The legislature also provided backfill funding for these tuition decreases. For the 2017-2019 biennial budget, the legislature did not freeze or further reduce resident undergraduate rates. Current law allows an increase in the resident, undergraduate tuition rate of 2.2% for FY18.

Most tuition rates for academic year 2017-2018 will remain the same, with the following exceptions, which were approved in May, 2017:

1. An increase in tuition rates for the Online MBA program and the Online Executive MBA.
2. An increase in tuition rates for Veterinary Medicine effective fall 2017.
3. A new rate for the Professional Science Masters, Electrical Power Engineering.
4. A new rate for the Elson S. Floyd College of Medicine.

The proposed 2017-2018 tuition rates, along with the existing 2016-2017 tuition rates are shown below as full-time, annual rates for reference.
