

## **ACTION ITEM #1**

### **Discontinuation of Degrees No Longer Offered (Daniel J. Bernardo)**

September 16, 2016

TO ALL MEMBERS OF THE BOARD OF REGENTS

**SUBJECT:** Discontinuation of Degrees No Longer Offered

**PROPOSED:** That the Board of Regents approve discontinuing degrees that are no longer offered within the College of Education

**SUBMITTED BY:** Daniel J. Bernardo, Provost and Executive Vice President

**SUPPORTING  
INFORMATION:**

The College of Education proposes to discontinue several degrees. The degrees being proposed for discontinuation are no longer active or have changed names. The degrees listed on the attached spreadsheet may be discontinued immediately as they do not have students currently enrolled in them. All campuses involved have been notified and have agreed to the discontinuation. Additionally, the discontinuation of the degrees will have no impact on current faculty or staff, or college resources, or other programs, departments, or colleges.

The Provost reviewed this request carefully and supports the same. On February 16, 2016 the Graduate Studies Committee approved the College of Education Graduate Curricular Change and the recommendation was passed by the Faculty Senate on March 10, 2016.
