

ACTION ITEM #1

Extend Bachelor of Science in Neuroscience to WSU Vancouver
(Warwick M. Bayly)

TO ALL MEMBERS OF THE BOARD OF REGENTS

SUBJECT: Extend Bachelor of Science in Neuroscience to WSU Vancouver

PROPOSED: That the Board of Regents approve the extension of the Bachelor of Science in Neuroscience to WSU Vancouver

SUBMITTED BY: Warwick M. Bayly, Provost and Executive Vice President

SUPPORTING INFORMATION: The Academic Affairs Committee approved the extension of the Bachelor of Science in Neuroscience to WSU Vancouver on February 29, 2012, and the Faculty Senate approved the extension on March 29, 2012.

This request is supported by the increased number of neuroscience faculty based in Vancouver and the growth in demand for the program by Vancouver undergraduate students. This proposal is supported by the College of Veterinary Medicine and the College of Sciences and is proposed to be effective Fall 2012.
