INFORMATION: WSU has a collective bargaining agreement with the Public School Employees (PSE) to cover a bargaining unit of five custodial employees at WSU Tri-Cities. In December 2011, the PSE filed an Unfair Labor Practice (ULP) charge against WSU, case 24440-U-11-6258. In April of 2013 a PERC Examiner issued a decision on the case. That decision indicated PERC upheld one of the four claims identified in the ULP charge. In April 2013 the decision was appealed. In October 2013 the PERC issued a decision on the appeal upholding the Examiners decision dismissing all but one claim. In accordance with the PERC ULP order regarding case 24440-U-11-6258; decision 11704-B PSRA, WSU is required to read a PERC Notice in to the Board of Regents minutes.
