The Board of Regents of Washington State University (WSU or University) met pursuant to call in Open Meeting at 9:00 a.m. on Friday, March 11, 2022, at WSU Tri-Cities, Richland, Washington.

Present: Marty Dickinson, Chair; Regents Brett Blankenship, Enrique Cerna, Lura Powell, Jenette Ramos, Heather Redman, Lisa Schauer, John Schoettler, Ron Sims, and Shain Wright; Faculty Representative Dave Turnbull and President Kirk H. Schulz.

I. OPENING

A. Report from the Chair of the Board of Regents. Chair Dickinson called the meeting to order and welcomed audience members. Chair Dickinson said it was great to be in the Tri-Cities, located on traditional lands of the Confederated Tribes of the Umatilla and the Confederated Tribes and Bands of the Yakima Nation.

Chair Dickinson invited audience members to view the Board of Regents meetings via YouTube live stream and stated that a link to the live stream is available on the Board of Regent’s website.

Chair Dickinson further reminded the audience that there would be a public comment period during the meeting to be held at the conclusion of the Board’s regular business and stated the period would last for up to 10 minutes. She noted that each speaker would be allowed two minutes and preference would be given to speakers who were speaking to matters that are or will be before the Board.

B. Report from the President of the University. President Schulz welcomed the audience and provided the following updates:

COVID-19 – President Schulz reported that in conjunction with Governor Jay Inslee’s announcement Friday, WSU will suspend all COVID-19 Public Health protocols by March 12. He said WSU resumed concession sales at sporting events and serving of refreshments at other WSU events on February 14. The outdoor mask mandate was eliminated on February 18, and the University stopped requiring proof of vaccination to attend events on campus on March 1. President Schulz further reported the indoor mask mandate will be suspended on March 12.

In-Person Learning Experiences – President Schulz reported that as the threat of COVID-19 begins to recede, WSU is taking steps to resume in-person learning experiences. The WSU Pullman campus hosted the Visionaries Inspiring Black Empowered Students (V.I.B.E.S.) conference last month in person for the first time in two years. Sponsored by the Black Student Union, the conference aims to develop a culture of black student leadership and motivate and encourage high school students to seek higher education opportunities. President Schulz reported more than 30 high school students from across the state traveled to Pullman to attend this year. President Schulz further reported that in addition to the V.I.B.E.S. conference, WSU held similar conferences for Chicanax/Latinx students and Asian and Pacific Islander Students earlier in the fall. He said one of the highlights of these conferences this year was announcing
the names of those who received on-site admissions for fall 2022, and in all, 48 students learned on the spot that they had been admitted to WSU during the events.

Faculty Awards – President Schulz reported five WSU faculty were named Fellows of the American Association for the Advancement of Science (AAAS). Professors Santanu Bose, Tom Kawula, Bernd Markus Lange, Jill McCluskey, and Katrina Mealey were elected as Fellows. President Schulz said this is a lifetime honor recognizing the distinguished contributions of scientists, engineers, and innovators. AAAS is the largest scientific society globally. The tradition of AAAS Fellows dates back to 1874, and being selected as a Fellow is considered one of the most prestigious honors among academic researchers worldwide.

Murrow Symposium – President Schulz reported Ann Curry will deliver the Keynote address and receive the Edward R. Murrow Lifetime Achievement in Journalism Award at WSU’s 46th annual Murrow Symposium on April 5. President Schulz said previous winners have included Walter Cronkite, Christiane Amanpour, Barnard Shaw, Helen Thomas, and Lester Holt.

Athletics – President Schulz reported WSU’s women’s swimming team earned Scholar All-American Team accolades after posting a 3.47 GPA for the fall 2021 semester. The Cougars earned the honor for the eleventh straight semester, including all seven under head coach Matt Leach and for the 21st time in program history. President Schulz further reported WSU’s women’s basketball earned a No.3 seed and a first-round bye in the Pac-12 tournament. He said this is the highest seed the Cougars have ever earned in the Pac-12 Women’s Basketball Tournament.

C. Report from the WSU Tri-Cities Chancellor. Chancellor Sandra Haynes welcomed the Regents and the President to the Tri-Cities campus. Chancellor Haynes began her report and said she would focus her comments on students and student success. She said the WSU Tri-Cities campus has a unique student body, but a student body that is very important to the WSU System. Chancellor Haynes shared WSU Tri-Cities strategic plan dashboards and reported Tri-Cities undergraduate student retention rates for first-year students stand at 71%. She further reported graduation rates for 4th-year students are 46% and for 6th-year students are 58%. Chancellor Haynes said student success includes fostering an inclusive environment and supporting academic achievement. Chancellor Haynes further provided updates on student demographics, the WSU Tri-Cities Career Center, the ACE Learner Success Lab, the Equity Academy, and community partnerships.

Christopher Keane, Vice President for Research, presented to senate on the Feb. 3rd, and Saichi Oba, Vice Provost for Enrollment Management, will present on the March 3rd. Senate committees have been busy with work on faculty affairs and academic affairs and senators have been attentive to the resulting exhibits for discussion and action.

2. The Faculty Senate Executive Committee met with the chairs of the Pullman Strategic Planning committee on 21 February 2022 and continue to meet individually or together with several systems-level committees on recurring basis.

3. Provost Chilton and Vice President for Finance and Administration, Stacy Pearson, will meet with the Faculty Senate Executive Committee and the Faculty Senate Budget Committee on March 7th for an in-depth discussion of the proposed system budget model.

4. The Faculty Executive Committee met with the President and Provost on 22 February 2022 and will meet again on March 8th for ongoing discussions about topics involving policies, faculty affairs and academic affairs.

5. Faculty Senate is in the process of selecting a new Chair Elect. The ballot deadline is 22 March 2022. On 15 August, past chair David Turnbull will rotate off senate leadership, current chair Doug Call will become past chair and will serve as the faculty representative for the Board of Regents, and current chair elect Christine Horne will become chair.

6. We are pleased to report that engagement with Faculty Senate continues to be robust. A call for new committee members yielded applications from over 30 faculty members across the system. Thanks to our new recruitment system, senate committees should be staffed and ready to conduct business at the beginning of the fall semester without delay.

7. In an effort to improve communications between Faculty Senate leadership and senators, the chair is distributing a summary table of the status for current concerns and activities (please see attached example). This document is updated before every Senate Steering and Senate meeting. The chair has also penned a number of blogs to further improve communications.

At the exec meeting with the President and Provost (22 Feb ’22), we learned about multiple efforts that are underway to streamline contract processing for academic delivery including delegation of authority, shared positions, etc. At this point we respectfully suggest checking in with senators in fall 2022 to determine if significant concerns remain.

Like all WSU departments, the Associated Students of WSU Tri-Cities have faced unprecedented challenges because of the COVID-19 Pandemic while adjusting to a new way of instruction and campus culture. Nevertheless, I am pleased to report that ASWSUTC has continued to provide exceptional advocacy work on behalf of the students we represent and expanded support services in response to student needs because of the team’s outstanding efforts.

Advocacy
Transitioning from a fully online to fully in person has allowed our ASWSUTC officers to notice disparities throughout campus. Our main concern for our students who had never been on campus before, was to make sure they received the campus culture they deserved, and they knew all the resources that WSUTC offered. Many of our efforts revolved on programming, tabling, collaborating with departments to make this happen. Our marketing team created a social media campaign of resources offered at the Tri-Cities campus and collaborated with campus organizations. In order to build campus culture and campus consistency, ASWSUTC Senator Josiah Cantu started the “Coug Pride Giveaways” campaign that promotes student wearing Coug gear on Fridays. Every Friday ASWSUTC members table in the Student Union Building and incentivize students to wear Coug gear by giving our free goodies every week.

Additionally, a disparity that we noticed was the dissatisfaction students had with advising. To bridge the gap, we surveyed students and realized many students were not properly guided through how to access mywsu. We collaborated with the advising center for them to host major specific workshops.

Currently, our senators and staff are working on three different advocacy projects. One is the improvement and growth of our fitness center. We want to make sure this fitness center is being utilized by our students. To accomplish that we are working on surveying students to understand why students are not going to the fitness center, from there, we will try to find a common ground with the fitness staff and the needs of our students. Our second advocacy project is regarding mental health resources and exploring the idea of growing our mental health resources by a student fee. Lastly, our team members are working on an advocacy group regarding sexual assault awareness month. Our team will be putting together programming for the month of April to bring awareness to sexual assault.

Through all the advocacy the ASWSUTC team does, we value our student input and our student engagement. Our ASWSUTC team has made a stride in attending club meetings and making sure we are talking to different student groups to make sure we are representing student accurately.

Legislative Efforts
Our legislative efforts have shown our passion for equity, representation, and knowledge of civic engagement. In late October and early November, we hosted multiple voting registration drives and hosted the Student Engagement Hub, where students, staff, faculty, and community members could fill out the ballot and register to vote on the same day. We had great turn out and made our values for civic engagement clear.

Lastly, on January 24, 2022, students from across the WSU system participated in our annual Coug Day
at the Capitol by virtually meeting with our State Legislators to advocate for Washington State higher education’s continued support. Additionally, we advocated for rural broadband expansion for our students, an anti-hazing bill, a staff pay increase for our graduate students and staff to help with retention and a compensation of undocumented student workers.

I am incredibly proud of the work that our Director of Legislative Affairs has put in and all of the students who participated in Coug Day at the Capital while still being remote.

**ASWSUTC Spring Elections**

Finally, ASWSUTC is currently in the process of conducting our Spring 2022 General Election. From February 11th to April 8th, the students of Washington State University Tri-Cities will elect a new ASWSUTC President, Vice-President, and 11 Senators. My team and I have devoted considerable time to ensuring the next ASWSUTC administration receives a proper turnover that will set them up for success. We look forward to welcoming in our next group of student leaders as they prepare to carry on the legacy of ASWSUTC.

Please contact me at n.mendozaaposada@wsu.edu if you have any questions or would like further information on my team’s great work thus far.

Thank you and Go Cougs!

TO ALL MEMBERS OF THE BOARD OF REGENTS

SUBJECT: GPSA Report

SUBMITTED BY: Reanne Chilton, GPSA President

On behalf of GPSA, I would like to thank the Board of Regents for your continued support of WSU graduate and professional students. It is with great pleasure that I report the following:

Support & Representation: The GPSA has worked hard to creatively support our students in new and beneficial ways. We’ve continued to expand our presence across university and community groups, to make sure students voices are heard and concerns being addressed. We continue to host bi-weekly Senate meetings where graduate students from each department represent their constituents. Guests at GPSA Senate this semester have included the Office of Compliance and Civil Rights, and the first international student to be president of GPSA, Prof. Ken Wang. Later in the semester we will hear from a number of guests including the Campus Police, Women’s Center, and Chancellor Chilton.

Accomplishments:

- **Safety**: In response to graduate student concerns regarding safety GPSA successfully distributed high quality masks to every department on the Pullman campus and Research and Extension Centers affiliated with Pullman campus to be offered to all graduate and professional students.
- **Childcare**: GPSA has partnered with the YMCA in Pullman in order to provide free afterschool care for graduate/professional students with dependents. This program was piloted in the Fall in response to limitations on previously available childcare assistance and due to the popularity of the program we are continuing this semester, helping families access affordable childcare.
- **Research Expo**: Over 100 graduate students applied to a be a part of our annual GPSA Research Exposition – a competition where students present their research posters which are evaluated by volunteer faculty judges. Research Expo and Academic Showcase will be on March 24!
- **Excellence Awards**: Over 150 nominations were submitted for GPSA excellence awards; a program where we shine a spotlight on graduate/professional students who have distinguished themselves across different categories such as their role as researcher, instructor, teaching assistant, as well as in community engagement, service and leadership. Evening of Excellence cohosted with the Graduate School on April 7!

Programs:

- **Professional Development Initiative (PDI)**: The PDI is kicking off the semester with some excellent workshops. We began the year with a workshop of Graduate Student Mental Health and Mental Health Resources – I had the opportunity to cohost this important workshop to disseminate information on mental health resources as well as address mental health stigma among students. We’ve also had popular workshops on Tax Help for graduate students and Formatting Your Thesis/Dissertation, and we look forward to upcoming workshops on Teaching with Technology, a training on Pivot, and Data Literacy.
- **RSO Funding**: All students are currently struggling to find engagement opportunities during this isolation experience. GPSA has provided over $24,000 this semester to helping fund 18 graduate student organizations which are aiming to improve the student experience.
- **Programming**: We are finding that now, more than ever, students are in need of social connections. GPSA has focused this semester on trying to offer a mixture of in-person and virtual social programming events including a book club, ice cream social, and restaurant week.

**Title IX Revisited**

On March 4, the WSUAA hosted its second annual Women’s Leadership Summit. The free, virtual event focused on the 50th anniversary of Title IX and was entitled *How Far We’ve Come: A Reflection on the Impact of Title IX*. The summit featured WSU First Lady Dr. Noel Schulz; retired women’s basketball and volleyball coach and Title IX advocate Dr. Sue Durrant; retired WSU Senior Associate Director of Athletics and WSU Athletics Hall of Fame member Marcia Saneholtz; play-by-play voice for Pac-12 Network, FS1, ESPN, and Athletes Unlimited and former host and anchor at ESPN and WSU alumna Cindy Brunson; WSU Athletics Hall of Fame basketball and track and field record-setter Jeanne (Eggart) Helfer; and All-Pac-12 First Team and Captain of Cougs’ Defense for the WSU women’s soccer team Mykiaa Minniss. Seattle attorney and former WSUAA President Jane Yung hosted the event. The panelists shared their views and experiences with Title IX before participating in a Q&A session with the audience. Watch a recording of the Summit at alumlc.org/wsu/archive.

**Member Appreciation Month**

May 1 marks the start of the second annual WSUAA Member Appreciation Month. In celebration of and a special thank-you to all 43,000+ WSUAA members, the Alumni Association is offering a wide variety of exclusive member benefits, opportunities, and events throughout May. **Member Appreciation Month** is made possible by our steadfast partners at BECU. Here are a few examples of the exciting **Member Appreciation Month** activities being offered this year:

- New Cosmic Crisp® Cider Exploration: A Virtual Tasting Event with 2 Towns Ciderhouse
- Online Pop-Up Shop featuring fun Coug items like a dry bag with a solar-powered speaker
- Exclusive shopping opportunities at the Adidas, Columbia, and Nike employee stores
- Exclusive members-only Summer (May) *Washington State Magazine*

**Funding Support for the WSUAA’s Bright Future**

The WSUAA is extremely fortunate to start 2022 with the establishment of two new endowments. First, past WSUAA President Doug Willcox and his wife Judy generously founded the **WSUAA Presidents Excellence Endowment** in August 2021. According to Doug, this important gift is “the product of an accumulation of inspiration and motivation as a result of our long lives as Cougars and, in particular, inordinate inspiration and motivation drawn from the wonderful work and accomplishments of the WSUAA staff.” Doug said, “I’ve been involved with a lot of organizations over the years. The WSUAA is by far the best run, business savvy, hardest working, and most impactful of the bunch.” Doug and Judy’s endowment and future donations to it will provide much-needed funds to support the alumni programming WSU needs into the future. In December 2021, to commemorate Tim Pavish’s eighteen years of leading the WSUAA to become one of the top alumni associations in the country, past presidents of the Alumni Association established the **Pavish Possibilities Fund**. As former WSUAA Presidents Lorie Dankers, Doug Tracey, Gina Meyers, and Jane Yung stated, this fund is a way of “recognizing and honoring Tim’s legacy, exemplary leadership, and remarkable transformation of the WSUAA.” Tim is honored and humbled by the fund and hopes it will provide future Executive Directors with the funds necessary to weather challenging times and leverage good times for years to come. Donations to both funds will help support and expand the programming and services of the Alumni Association.

ACTION ITEM #1
Proposed Revision to WAC 504-26 Standards for Conduct for Students
(Ellen Taylor)

March 11, 2022

TO ALL MEMBERS OF THE BOARD OF REGENTS

SUBJECT:   WSU System, Revisions to WAC 504-26-045 Standards for Conduct for Students

PROPOSED: That the Board of Regents adopt revisions to WAC 504-26 Standards for Conduct of Students

SUBMITTED BY: Ellen Taylor, Interim Vice President for Student Affairs

SUPPORTING INFORMATION: On August 24, 2021 the United States Department of Education (the Department) published a letter clarifying its regulations for implementing Title IX of the Education Amendments of 1972 (Title IX). The Department clarified that due to the decision in Victim Rights Law Center et al. v. Cardona, no. 1:20-cv-11104, 2021 WL 3185743 (D. Mass. July 28, 2021), the Department immediately ceased enforcement of the cross-examination requirement of parties and witnesses in live hearings. This is a welcome change from the department as this provision had negatively impacted WSU students.

This revision to WAC 504-26-045 specifically strikes the cross-examination requirement. It then re-serializes the subsequent provisions of the section to align numerically.

This permanent WAC rule revision was presented to the Board of Regents as a future action item at the January 2022 Board of Regents meeting.

In accordance with University and Washington Administrative Code rules, a public hearing was held on February 10, 2022 to solicit comment. No comments were received, written nor oral, from the public on this matter.
WAC 504-26-045  Evidence.  (1) (Except as provided in subsection (2) of this section,) Evidence, including hearsay evidence, is admissible in student conduct proceedings if, in the judgment of the conduct officer or presiding officer, it is the kind of evidence that reasonably prudent persons are accustomed to rely on in the conduct of their affairs. The conduct officer or presiding officer determines the admissibility and relevance of all information and evidence.

(2) (In conduct board hearings to resolve allegations that, if proven, would constitute Title IX sexual harassment within the university's Title IX jurisdiction, witnesses, including parties, must submit to cross-examination for their written or verbal statements to be considered by the university conduct board.

(3)) The sexual history of a complainant is not relevant and not admissible in a student conduct proceeding unless such evidence about the complainant's sexual predisposition or prior sexual behavior is offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence
concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent.

Students may choose to remain silent during conduct proceedings, recognizing that they give up the opportunity to explain their version of events and that the decision is made based on the information presented at the hearing. No student must be compelled to give self-incriminating evidence, and no negative inference will be drawn from a student's refusal to participate in any stage of the conduct proceeding. If either party does not attend or participate in a hearing, the conduct officer or conduct board may resolve the matter based on the information available at the time of the hearing.

ACTION ITEM #1
WSU Vancouver, Life Sciences Building
Request for Increase in Project Budget
(Stacy Pearson/Olivia Yang)

March 11, 2022

TO ALL MEMBERS OF THE BOARD OF REGENTS

SUBJECT: WSU Vancouver, Life Sciences Building, (Second) Request for Increase in Project Budget

PROPOSED: That the WSU Board of Regents approve an increase of $4.5M in the project budget for the WSU Vancouver, Life Sciences Building and further delegate authority to the President or his designee to enter into any and all contracts necessary to complete the project within the new budgeted amount of $64.3M.

SUBMITTED BY: Stacy Pearson, Vice President for Finance and Administration/ CFO

SUPPORTING INFORMATION: The new Life Sciences Building will bring components of WSU Vancouver’s basic translational, applied, and clinical health programs together in one location on campus, including Biology, Molecular Biology, Environmental Science, Neuroscience, Nursing, and Chemistry. This building will fill the critical need for instructional laboratories for undergraduate and graduate science courses. It will also include purpose-built vivarium space that meets regulatory requirements and supports instruction as well as research programs.

The University received $500,000 for pre-design in 2017-19 state capital budget, $4,000,000 for the design in the 2020 supplemental capital budget, and $52,600,000 construction funding in 2021-23 state capital budget. Subsequently, the Vancouver campus allocated $2.7M of local funds to support the greenhouse portion of the project, for a total project budget of $59.8M. The Regents approved the schematic design for the project in May 2021 and approved the total project budget with the $2.7 M increase in January 2022, along with a delegation of authority to the President or designee to enter into contracts necessary to complete the project within the budgeted amount.
The project team has utilized many strategies to mitigate cost escalation on this project since the design started. Programed areas were modified early in the design to allow for a target value that seemed achievable based on market conditions. As material costs have continued to escalate at unprecedented rates (15-20% in the last twelve months), many design modifications have been tested and implemented to keep the project within budget. Some of these modifications are very low impact while others, such as the shelling of spaces, are high impact. Over one thousand Value Add (VA) strategies have been identified and tested to try to mitigate the rising market conditions. The accepted VA items totaled $5M in savings, and an additional $3M of areas were identified as potential unfinished areas. Even with these efforts, escalation has exceeded the savings that was achieved. Further modifications, at this time, are not possible in that they would significantly impact the building’s functionality and purpose.

The Vancouver campus has allocated an additional $4.5M of local funds to finish out areas that had been identified as unfinished and to supplement the material cost escalation. The project team will tightly manage the project construction contingency so that a high percentage of these funds can be applied to the project, thus reducing the need for Vancouver’s additional local funds.

WSU has also set a $10 million fundraising goal as a top priority for the Life Sciences Building. This fundraising effort will be achieved through system-wide partnerships with WSU Vancouver, the WSU Foundation, and the President and Provost offices.

TO ALL MEMBERS OF THE BOARD OF REGENTS

SUBJECT: WSU Pullman, United States Department of Agriculture, Agricultural Research Service (USDA-ARS)/WSU Plant Bioscience Research Building (PBRB) Ground Lease.

PROPOSED: That the WSU Board of Regents (1) authorize a long-term ground lease to enable USDA-ARS to design and build the PBRB on the WSU Pullman campus, and (2) delegate authority to the President or designee to negotiate and execute the long-term ground lease and any other transaction-related documents.

SUBMITTED BY: Stacy Pearson, Vice President, Finance and Administration / CFO

SUPPORTING INFORMATION: In May 2021, the Institutional Infrastructure Committee received an information item describing the design and construction of the new USDA-ARS PBRB on the WSU Pullman campus. The following summarizes that information item as supporting information for the ground lease.

The USDA-ARS/WSU research partnership is exemplary and one of the strongest federal-state partnerships in the nation.

The new USDA-ARS PBRB will foster and enhance the connectedness between USDA-ARS and WSU researchers. The FY2019 Congressional funding included a $104.9 million appropriation to USDA-ARS to design and build the PBRB on the WSU Pullman campus. The estimated construction cost target for this project is $80.7 million. The USDA-ARS PBRB design and construction is being managed by the US Army Corps of Engineers. WSU Facilities Services is acting as ARS on-site program coordinator.

The State of Washington appropriated capital funding for the demolition of Johnson Hall to enable the new construction of the PBRB by USDA-ARS in the Johnson Hall footprint.
As provided to the Board in May 2021, WSU will lease the necessary land for the PBRB to the USDA-ARS. It is expected that it will be a long-term ground lease with a minimal ground rent (such as $1/year) in consideration of the substantial building improvements that USDA-ARS will be making on WSU’s property, as well as the space that WSU faculty and staff will occupy in the building (USDA and WSU have agreed on 50-50 occupancy in the new building).

WSU will not be obligated to pay rent for the space that it occupies in the PBRB. WSU will be responsible for all or a portion of the operations and maintenance expenses pertaining to the building. This will result in net savings versus the maintenance cost of Johnson Hall.

The Regents have delegated authority to the President or designee to execute leases where the “value of the property to be disposed of or obligated in such manner is under $5,000,000.” Because the value of the proposed long-term ground lease is likely to exceed this amount, Regents’ approval is required.

WSU Pullman, Agricultural Research Service (ARS)/WSU Plant Bioscience Research Building Ground Lease

Resolution #220311-651

WHEREAS, the Board of Regents of Washington State University by virtue of RCW 28B.10.528 has authority to delegate by resolution to the President of the University, or designee, powers and duties vested in or imposed upon the Board by law and to enable the President, or designee to act on behalf of the Board of Regents in matters relating to the administration and governance of the University; and

WHEREAS the FY2019 Congressional funding included a $104.9 million allocation to the USDA-ARS to design and build a new USDA-ARS Building on the WSU Pullman campus: and

WHEREAS, the State of Washington appropriated capital funding for the demolition of Johnson Hall to enable the new construction by USDA-ARS; and

WHEREAS, a long-term ground lease will be necessary to enable construction of the new facility.

NOW, THEREFORE, IT IS RESOLVED: That the WSU Board of Regents (1) authorizes a long-term ground lease to enable USDA-ARS to design and build the PBRB on the WSU Pullman campus, and (2) delegates authority to the President or designee to negotiate and execute the long-term ground lease and any other transaction-related documents.
